Moeez Khan

AI-Powered Web Developer & Digital Marketer

Freelance developer and digital marketer based in Lahore, Pakistan, building websites, SaaS products and automation systems for clients worldwide. I use **AI-assisted engineering** to architect and ship production work in days rather than weeks — combining technical execution with marketing strategy, which is rare in either discipline alone.

EXPERIENCE

Digital Marketing Team Lead

2024 — Present

Land Advisor

Leading full digital marketing operations — strategy, campaign management, team leadership, and growth across all channels.

Freelance Web Developer & AI Automation Specialist

2023 — Present

Self-Employed

Building websites, SaaS products and automation systems for international clients using AI-assisted engineering. Delivering enterprise-quality work at startup speed and cost.

Web Developer

2023 — 2024

Agency 444

Designed and developed high-converting landing pages and web solutions for agency clients.
